Interest

Nationwide Radio Stations (Nationwide) was the petitioner that started this process by asking the FCC to place channel 233C3 at Quanah, Texas, as a new local service. Nationwide is unclear about the process whereby it gets to file an application, **but** it is still interested in a channel at Quanah and intends to file an application (or be a part of a group that files an application) for this new station. If Nationwide is correct that it is suppose to do a second filing for this station, it respectfully request that this document be accepted as that expression.

Sincerely,

Marie Drischel

REPLY COMMENTS

Now comes NationWide Radio Stations ("NationWide"), before the Commission to comment on the Counterproposal filed by First Broadcasting Company, L.P., and several other companies. The Counterproposal offers Channel 255C3 to Quanah as a new FM radio service to avoid a conflict with their filing. NationWide hereby agrees to have Channel 255C3 allocated to Quanah with no site restriction. NationWide expresses its interest in applying for Channel 255C3 if it is granted and constructing the facility.

On behalf of NationWide, I state that these statements are true and correct to the best of my knowledge and belief.

Respectfully submitted

WITHDRAWAL OF EXPRESSION OF INTEREST

Now comes Nationwide Radio Stations ("Nationwide") before the Commission to withdraw its expression of interest in a new allotment at Quanah, Texas. Nationwide initiated this proceeding by filing a petition for rule making expressing an interest in a new FM radio station on Channel 233C3 at Quanah, Texas. First Broadcasting, L.P. and several other companies filed a counterproposal involving a number of communities, and offered Channel 255C3 at Quanah to avoid a conflict with their counterproposal. Nationwide agreed to accept Channel 255C3 at Quanah. However, First Broadcasting and the other companies recently amended their counterproposal to state that Channel 255C3 is not available at Quanah after all due to an error in the Commission's data base.

Nationwide has decided to withdraw its expression of interest in a new station at Quanah, Texas. We did not wish to

be placed in an adversarial position in such a complex proceeding with so many larger interests at stake. As long as an alternative channel was available at Quanah, Nationwide was content to remain in the proceeding. But now that a conflict is inevitable Nationwide would rather withdraw.

Nationwide's interest is simply in applying for a new radio station to serve Quanah and this area of northern Texas. In recent months there have been numerous petitions filed for communities in the Quanah area. For example, petitions are on file for Benjamin, Texas (Docket 01-131), Childress, Texas (01-196), Crowell, Texas (01-210), Matador, Texas (01-270), Paducah, Texas (01-156), Turkey, Texas (01-272), and Hollis, Oklahoma (01-217), to name just a few. Nationwide expects to have ample opportunity to apply for one of these new allotments.

On behalf of Nationwide, I state under penalty of perjury that neither Nationwide nor its principals have been paid or promised any money or other consideration in exchange for the withdrawal of its expression of interest, and that there are no agreements regarding its withdrawal. I certify that the foregoing statements are true and correct to the best of my knowledge and belief.
